ACCA Ethics Film Festival

ACCA-Wolters Kluwer Joint Workshop on Ethics and Fraud : Learning from Real Life Cases

11 October 2017

1.30pm – 5.00pm

ACCA Singapore

This workshop will stimulate your thought process in the discharge of your duties and responsibilities as an Accounting Professional. It gives you a better understanding of the corporate failures that has happened around the globe, and provides a background understanding as to why there are so many changes in the financial reporting standards, and the clarity projects in the re-writing of the auditing standards.

You will have a better appreciation of why regulatory authorities worldwide are implementing more measures to ensure that those responsible for the financial reporting of public interest follow the regulations and standards strictly.

This workshop will focus on the broad principles of Ethics and Fraud:

- Incentives to Commit Fraud;
- Opportunity to Commit Fraud;
- Rationalisation for the Fraud
